

YOUR PARTNER FOR EFFECTIVE PAINT MAINTENANCE SOLUTIONS

PPG is recognized and respected around the world as a preeminent supplier of coatings solutions. From developing revolutionary coatings and processes for the automotive, aerospace, consumer electronics, construction, and marine industries, PPG is there to meet the challenge. A relentless commitment to sharing technology and best practices enables PPG to deliver you an industry-leading product and service portfolio.

ENHANCE, PROTECT AND MAINTAIN YOUR PROPERTY AND FACILITY

PPG understands that one of your key responsibilities is maintaining the appearance of your property or facility. Real success means partnering with a company who keeps your downtime to a minimum, a coatings expert you can trust to provide the products when you need them, and someone who provides effective solutions to your paint maintenance challenges.

MAINTENANCE SOLUTIONS PROGRAM

DEDICATED SERVICE

At PPG, we realize that a trusted partnership is based on the quality and service we provide you. We are committed to our customers and have designed our program with your needs in mind.

- Expert, dedicated Maintenance Sales Specialist
- Site inspections
- Paint specifications and recommendations
- Project planning and scheduling
- Account oversight
- Contractor referrals

BENEFIT: The PPG Maintenance Solutions Program is designed with your needs in mind.

LOCAL INVENTORY AND DELIVERY

PPG maintains a large local inventory ensuring product availability. We are focused on supplying products in a timely manner to help you accomplish your goals and reduce your cost of doing business. We will get the right product to the right place at the right time to keep you on schedule.

- Job-site delivery at no cost to you
- Local logistics management
- Unloading service
- Trained, professional drivers

BENEFIT: PPG gets you the product when and where you need it.

PROGRAM MANAGEMENT

When handling multiple maintenance projects, keeping track of what paints and colors are used throughout the facility can be time consuming and tedious. Our Maintenance Sales Specialists can customize a cost-effective maintenance program and offer services that will help you to keep everything running smoothly.

- Facility job walks
- Accurate record keeping
- Complete paint schedule
- Written paint specifications
- Color standards
- Customized facility paint maintenance and operating binder

BENEFIT: Solving your coatings challenges is a PPG priority.

COLOR EXPERTISE

PPG understands that color choice and color consistency are absolutely critical components to your overall maintenance program. We are uniquely suited to provide expertise and guidance in color matching, selection, and support.

- Color accuracy, standardization, and consistency
- On-site color consultation
- Industry-leading color trends and design research, regional reports, and customer-centric presentations
- Professional color rendering service and assistance at no cost to you
- Generational palettes to target specific demographics
- Easy-to-use color tools

BENEFIT: PPG understands how critical color is to your business.

PRODUCT SOLUTIONS

PPG offers a broad and deep product line that is second to none in the industry. For every application in your facility and at every price point, there's a PPG coating or solution that's right for the job. Our products are engineered to meet the challenging requirements you have in managing, protecting, and maintaining your facility.

- Products that minimize your downtime
- Products that provide easy updates at a low cost
- Products that stand up to the wear and tear of high traffic areas
- Products that offer slip and fall protection
- Products that withstand rigorous cleaning procedures
- Products that are zero- or low-VOC* that can be used in occupied spaces

*Colorants added to these base paints may increase VOC level significantly depending on color choice.

BENEFIT: PPG has solutions for all of your coatings challenges.
